BELLFLOWER CHRISTIAN SCHOOL

BELLFLOWER, CALIFORNIA

Crusader

PRELUDE

Many great musical compositions are made up of various movements, each expressing the theme in its own mood and tempo. The setting for our "*composition*" is, of course, Bellflower Christian. If you will listen closely as the student progresses through the different "*movements*" of his school life, you will hear the ever-recurring *theme*, "Praise unto our God."

As students, we purposed in our hearts to honor and seek to glorify God throughout our lives. The Crusader Staff of 1955 sincerely hopes that this book will serve, not only as a *record* of pleasant memories of carefree days at B.C.S., but also as a reminder of that good and holy purpose to go forward in Christ. Striving toward that goal, may the melodies in our hearts be sweet and our songs ever be joyful!

*"Let the word of Christ dwell in you richly in all wisdom;
teaching and admonishing one another in psalms and hymns and
spiritual songs, singing with grace in your hearts to the Lord."*

Colossians 3:16.

TO THE GRADUATES OF 1955

Your high school course has been completed and your School Board wishes to congratulate you upon this achievement.

Life is like a great symphony orchestra. Each musician has a particular part to play. If good harmony is to result, each must be able to carry out his responsibility as the conductor directs. Loving parents, teachers, and ministers have sought to nourish, mould and train you so that you might grow in wisdom and in stature to play your part well. Through the operation of the Holy Spirit, we trust that this training will have lasting value for you.

As you leave Bellflower Christian's halls, may you occupy your God-given place in His Kingdom—be it as "violinist" or "drummer"—and be a witness unto His Grace.

SENIOR HIGH

Let them praises give Jehovah,
For His name alone is high;
And his glory is exalted,
Far above the earth and sky.

RHETA BANGMA

"No goal too high for her to reach."

Rheta, a quiet but talented girl, stands high in class achievements. Born in the Netherlands, she came to America nine years ago, entering the third grade at Bellflower Christian. Being a lover of sports, she participated in baseball in her freshman year, volleyball as a junior, and was a member of the G.A.A. this year. Her noble ambition is to become a Christian school teacher after attending Calvin College.

KENNETH BOOTSMA

"There's a little bit of bad in every good boy."

One of our twelve-year students, Kenneth has always graciously shared with us his musical talent. During each of his high school years, he was a member of the Glee Club and Male Quartet. As a sophomore, he was an active member of the Photography Club and the "B" Basketball Team. He led the junior class as president, was vice-president of the Student Council, was on the Crusader Staff and was lead man in the Junior Play. Besides being class president in his senior year, he ably edited the 1955 Crusader. He plans to take a pre-med course in college.

GERTRUDE BOS

"A pretty girl is like a melody."

Gertrude came to our school from the Artesia public school while in the fourth grade. A friend of all, she has capably held many desired positions and leaves an enviable scholarship record. For three years she has represented our class in the Student Council and sang in the Glee Club. She was a member of the G.A.A. during her junior and senior years and served as treasurer of this organization for the past year. Gert played volleyball while in her freshman year and basketball during the last two years of her high school days. She plans to work in a bank in the near future.

MARIANNE BOUMA

"A girl with a smile is a girl worth while."

Marianne, a girl with a sweet personality, attended Bellflower Christian for eleven years. She has been a source of pleasure to her class with a friendly word and smile for everyone. Being interested in sports, she was on the volleyball team as a freshman and junior, on the baseball team when a junior, and the basketball team as a senior. She sang in the Glee Club her first two high-school years. She belonged to the Home Economics Club and Sewing Club. She was also with G.A.A. for two years. Her plans for the future are indefinite.

IRMA JEAN BROEKEMA

"She's gentle and she's shy; still there's mischief in her eye."

Irma Jean came to our school from Bozeman, Montana, and spent just her senior year with us. A comparatively new student to Bellflower Christian, she is rather quiet, but we suspect she really is as full of fun as the rest. When you come to know her, you will discover her willingness and ability to work hard. She is always reliable and cooperative. Her favorite pastimes are rollerskating and riding—in motorboats, that is. She has done real well as a member of the Glee Club and as a member of the G.A.A. also. Her ambition is to secure an office or bank position.

SHARON BROERSMA

"Here I am, you lucky people."

Sharon, a mischievous blonde, is well known and well liked by all her classmates. Because of her pleasing personality she acquired many friends. She attended our school for twelve years.

As a freshman she joined the Delta Gamma Club; as a sophomore she became a member of the Gazette Staff; and as a junior she belonged to the Forensic Club. Her performance in the Junior Play will be well remembered. She sang in the Glee Club for the last three years and readily participated in the activities of the G.A.A. for the past two years. Her plans for the future are indefinite.

PHYLLIS DE JONG

"There is no substitute for the genuine."

Phyllis attended Bellflower Christian since the first grade and has been a real benefit to our class. As a freshman she was a member of the Crusader's Gazette Staff and volleyball team. While a sophomore she was on the Photography Club. She was president of the Sewing Club and a member of the G.A.A. during her third and fourth years of high school. As a senior she was class treasurer, G.A.A. secretary, and a member of the Annual Staff. She also went out for basketball and volleyball. She took the College-Preparatory Course, but her plans for the future are not definite.

RAMONA DE VELDER

"Talk and laughter play an important part in her life."

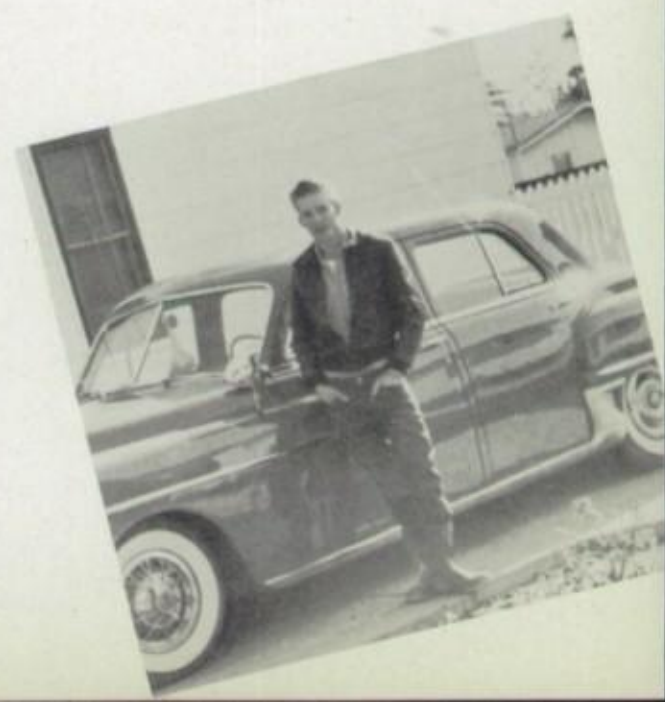

Ramona, one of our twelve-year students, was a real favorite of our class. Besides going out for nearly all the sports, she has been a real asset to the Class of Fifty-five. During her freshman year she was president of her class and was on the Crusader's Gazette Staff. She sang in the Glee Club during the first two years of her high school career. As a member of the G.A.A. she served on several committees and worked hard to make each activity a success. She plans to work in a bank after graduation and later become a housewife.

HERMAN DOUMA

"School is a necessary evil."

Herman, well known to both teachers and fellow students for his inclinations toward all things musical and mischievous, attended Bellflower Christian for a little more than eleven years. During that time he took part in many activities. He was a member of the Male Quartet, the Band, and the Glee Club for all four years. He has made good use of his musical abilities and all have enjoyed his singing and playing. When a junior, he served as class treasurer and played well his role in Seventeenth Summer as the father of a happy family.

HERMINA DOUMA

"Personality, skill and ambition —the formula for success."

Hermina, Herman's twin, is another one of our twelve-year students, although she was gone for part of her first year. Her athletic ability made her a popular member of the volleyball team for three years and the G.A.A. for two years. Her singing talents were used in the Glee Club for four years. While president of the Dionysians, she acquired the leading part in the successful Junior Play. Her ability to type won her a position on both the Gazette and Crusader Staff. She intends to become an efficient office secretary after graduation.

BARBARA ENGELHARD

"Full of fun and fancy free."

Barbara came to us from Fremont School in Los Angeles and attended this school eight years. She is very interested in all activities and carries out her responsibilities well. She was on the baseball team for three years, the basketball team for two years, and the volleyball team for two years. She sang in the Glee Club during all her high school years. During her junior year she became a member of the Dionysians Club and Gazette Staff, and was an active and interested member of the G.A.A. for the past two years. Her plans for the future are indefinite, although she may attend college.

CORNIE GOEDHART

"Young fellows will be young fellows."

Because he was always co-operative and attentive in class, Cornie was one of our more highly respected members. He was a member of the Glee Club during all four years and played his trumpet in the band for two years. During his sophomore year he played B Basketball, then played A Basketball during his junior and senior years. Baseball was another of the activities in which he took part during his last two years. Cornie plans to follow in his father's footsteps in the future and become a successful dairyman.

DWAYNE KAMPHUIS

"Never let studies interfere with your education."

Our Dwayne attended this school since the first grade. He is an all-around athlete and a pal and good sport among his friends. More than once he made the winning score for Bellflower Christian High. In all his high school years he played basketball and, during the last three, he played football too; and we must not leave out the last two hard-playing years of baseball! His plans for the future are indefinite but as long as Dwayne is around there will be something to do.

JO ANN KRUIDHOF

"Short and Sweet"

Jo Ann, our smallest senior, received all her education at Bellflower Christian. Her pleasant and radiant smiles have been cheering to all who have known her. For three years she sang in the Glee Club and in her sophomore year she was an active member of the Delta Gamma Club. As a junior, she participated in the Junior Play. This year she played on the girls' basketball and volleyball teams, and was a member of the G.A.A. during her junior and senior years. Her ambition is to secure an office or banking position.

LEWIS MENSIONIDES

"He's a friend to both work and play."

Lewis, known to most of us as "Louey," came to Bellflower Christian High from the Netherlands two years ago. He soon had many friends in his newly adopted country because he has a quick wit and is always ready for fun and a good time. Although he misses school quite often, he usually comes out with top grades. He claims that the schools in Holland are much more difficult and homework more plentiful. College is the thing for him after graduation so he plans to attend Calvin.

HARRY PRINS

"His deeds are greater than his words."

Harry, one of our more reserved seniors, attended our school for eight years. He came from the Netherlands, where he had attended a Christian School. He used his abilities to sing by becoming a member of the Glee Club for his last three years of high school. While a sophomore, he joined the Photography Club, and performed as a member of the cast in the Junior Play while in his third year. After graduation he plans to attend an agricultural school or become a member of the armed forces of our country.

JANE PRINS

"Kindness has irresistible charm."

Jane came to us as an immigrant from the Netherlands three years ago. She came as a stranger to our school, but soon accustomed herself to her new American home. She has become a well-liked member of the senior class of Bellflower Christian. She is quiet but has a heart of gold. As a member of the Class of Fifty-five, she has served well whenever asked to be on a committee. During her junior and senior years she was a member of the G.A.A. Her ambition is to be a registered nurse.

BETTY REITSMA

"One in a million."

Betty attended Bellflower Christian for twelve years. She has been a real friend to all who have made her acquaintance. During her sophomore year she was vice-president of her class. As a junior, she was literary editor of the Crusader Staff and sang in the Glee Club during both her sophomore and junior years. She held the position of class secretary while in her junior and senior years. Betty was also in the Forensic Club as a junior and the G.A.A. as a junior and senior. Always interested in sports, she was on the baseball team for three years. She plans to work after graduation.

GERALD ROELOFSEN

"If he were as long as his line, he'd be a giant."

Gerald was a member of our class since the first grade and was always the life of the party. He participated in B Football during his freshman year, and played a good end position on the Varsity Football Team while a senior. Doing a good job on the Student Council in his junior year, he was elected to the position of vice-president while in his last year. He was class treasurer in his second year and vice-president in his last year of high school. He was also a member of the Varsity Club for one year. Gerald plans to go in the service after graduation.

HARRIET SCHONEVELD

"What she does she does well; and she does most everything."

Because of her pleasing and friendly personality, Harriet is especially liked by her classmates. She was with us since '46. As a sophomore she was a representative to the Student Council and was a member of the Delta Gamma Club. During two years in G.A.A., she was first its treasurer and then its president. The Glee Club also claimed her as an active member for two years. An ardent lover of sports, she participated in volleyball, baseball, and basketball. This year she rose to the honorable position of President of the Student Council. Her ambition is to become a nurse's aide.

RALPH SIKKEMA

"Greater men than I have lived, (but I doubt it)."

Ralph, a swell friend and classmate, left the Netherlands and migrated to America. After attending several eastern schools, Bellflower Christian was chosen as the place for his high school education. Although not participating in many activities, he has always been around to enjoy the fun. In the classroom, there is room for work, and "a little time for mischief to relax the mind." Getting into trouble is not his hobby but he always seems to be around when it's there. After graduation, he plans to attend college.

HANK SNAPPER

"He's lived, he's loved, but he's never learned."

Hank was born in the Netherlands and came to the United States while in the sixth grade. After attending Lynden Christian School, he came to Bellflower and matriculated at B.C.H. for his junior and senior years. During his junior year he served as vice-president of his class and was a member of the Glee Club. Hank played his role well in the Junior Play and, as a senior, did a good job on the Annual Staff as photography editor. After graduation, Hank plans to attend Calvin College and take up the study of medicine.

ROSALIE SNAPPER

"You can manufacture blondes, but redheads just come natural."

Each one who knows Rose knows that her crowning beauty is her beautiful red hair. She has the spunk and alertness which usually accompanies it. Rosalie came to us seven years ago from Lynden Christian School. During her sophomore year, she was a member of the Delta Gamma Club. As for hobbies, going to games is about her pet one, not to say anything about the boys who might take her. During the last two years in high school she was a member of the G.A.A. She would like to be a nurse's aide.

WINNIE VAN DAM

"A live wire is never stepped on."

The "live wire" of the senior class, Winnie has a fun-loving nature and usually goes into hiding when mischief is discovered. Her stature is small, but she is "all there." For two years she sang in the Glee Club and in her freshman year she joined the Gazette Staff. In her junior year she was a member of the Delta Gamma Club. She gave a top performance as Kitty in the Junior Play, and also participated in the Forensic Club that year. For the past two years she has been a member of the G.A.A. She claims that after graduation she will work until she's rich.

MARGUERITE VANDERBY

"She gladdens the world with her song."

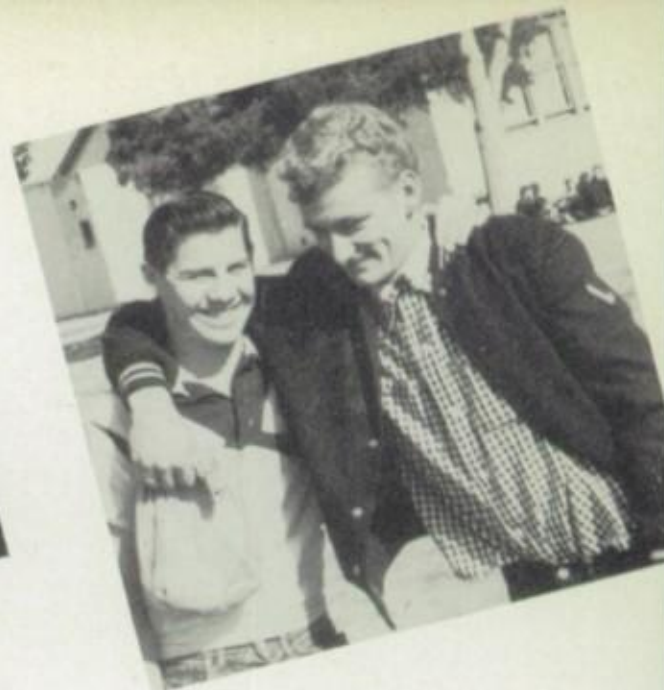

It has been a pleasure to know Marguerite. She is a twelve-year student and one of whom we can be proud. Possessing varied talents, she took part in many activities: the Gazette Staff for her first year in high school, volleyball as a freshman and senior, and basketball in her last year. She was a member of the G.A.A. for the last two years. When a sophomore, she was secretary of the Photography Club, and as a junior a member of the Sewing Club. For four years she lent her voice to the Glee Club and has been a real asset there. She chose the Pre-College Course for her high school career.

REKA VANDER SYS

"A sunny disposition and ready for fun."

Fun-loving Reka was with us since '46. As a freshman, she became secretary of her class and a member of the Gazette Staff. When a sophomore, she became the efficient Delta Gamma Club secretary. Besides being the secretary of the G.A.A. in her junior year, she was also an active member of the cast in the Junior Play. She sang in the Glee Club for four years and this year she was its secretary. Her plans are not definite but she wants to attend college.

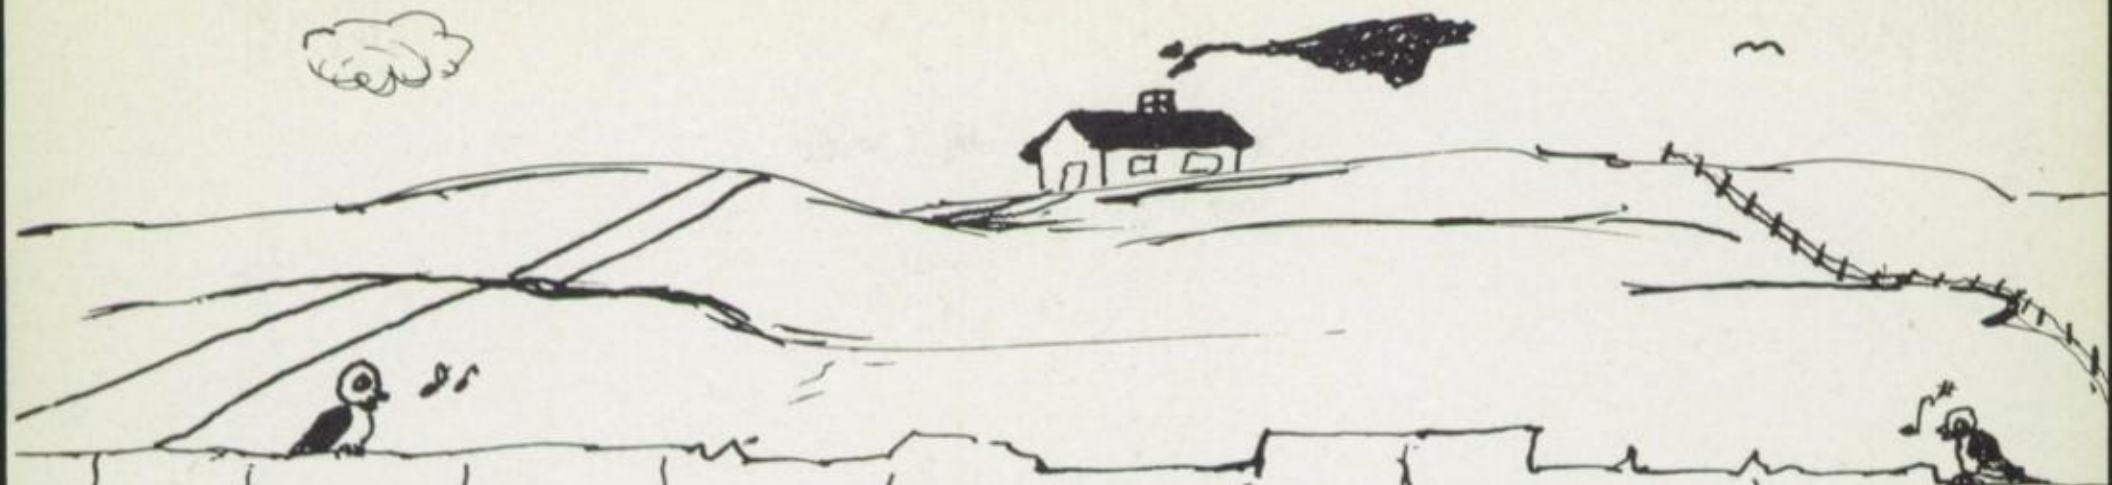

SAM WYBENGA

"Good people are scarce; take care of me."

Undescribable Sam received all of his education at Bellflower Christian. If any class became dry or uninteresting, there was Sam supplying humorous entertainment. He was a real inspiration to our class during our parties and supplied much of the fun. As a sophomore, he was a representative to the Student Council, and as a senior he was elected Student Body treasurer. In his last year of high school, Sam served as the capable president of the Varsity Club. He was a prominent football player during his last three years. His plans for the future are indefinite.

Our Initiation Party is one get-together that will never die in our minds.

LENA RIVERS

The Junior Play was given April 1 in Excelsior Auditorium. The play, "Lena Rivers," afforded an evening of delightful entertainment. The cast portrayed their parts well. The plot deals with the plight of Lena and her beloved Granny who are compelled to leave their New England home and seek refuge at the residence of wealthy John Livingstone, Granny's son. Here they are subjected to the sort of treatment often given to poor relatives, but they are kindly accepted after their true identity is discovered.
